

GREEN COLLECT

GREEN COLLECT'S SALVAGED OFFICE STATIONERY *Make your first choice second hand.*

Green Collect works with businesses to achieve outstanding environmental outcomes. Through our Collection Service we deliver effective solutions for 'hard to recycle' office waste, and our range of efforts are setting new standards in innovation and sustainable procurement.

We apply a meticulous sorting process to our collections in order to salvage reusable items. As a result, we are proud to offer a wide range of quality second hand stationery, at highly competitive prices.

Our Reuse Stationery offers you a purchasing alternative with a positive environmental impact, at a fraction of the cost of new stationery items.

By purchasing Green Collect's Reuse Stationery, your office stationery needs will be fulfilled in the most environmentally friendly way while also creating positive work opportunities for communities facing disadvantage.
